

NAVIGABLE AIRSPACE DETERMINATION: Manawa Energy Limited – Wind Mast at Matahuru Valley Road, Parish of Whangamarino, North Island.

PURSUANT TO Rule Part 77 of the Civil Aviation Rules I, Sean Turangarau Kere Rogers, Manager Aeronautical Services, having received from Manawa Energy Limited, notification of intention to erect a wind monitoring mast reviewed an aeronautical study in consultation with such persons, representatives and organisations as I considered appropriate.

After completing the aeronautical study, I am satisfied that the proposed action, if executed, could constitute a hazard in navigable airspace.

THEREFORE I HEREBY ISSUE a

DETERMINATION OF HAZARD IN NAVIGABLE AIRSPACE

in respect of the above notification.

The following conditions are specific to this Determination:

1. The Mast is not to exceed 80m AGL; and
2. The Mast is to be lit and marked in accordance with CAA Rule Part 77 Appendix B; and
3. Manawa Energy Limited is to liaise directly with Aeropath – Quote 23/77/64 (Part77@aeropath.aero) to notify when the construction will commence and request the instrument flight procedures (IFPs) are amended and for the mast to be included in the obstacle data base; and
4. Upon receiving information for a commencement date, Aeropath is to amend the IFP's and include the mast into their obstacle data base for the duration; and
5. Manawa Energy Limited is to notify Aeropath, Quote 23/77/64, when the mast is lowered and no longer in use; and
6. Manawa Energy Limited is to notify CAA at email: aeronautical.services@caa.govt.nz, Quote 23/77/64, when the mast is lowered and no longer in use.

This Determination of Hazard shall become final on 15th September 2023 unless a petition for review is received by the Director prior to that date.

This Determination of Hazard shall not expire but may be revoked, in writing, by the Director.

Dated at Wellington this 18th day of August 2023.

Sean Turangarau Kere Rogers,
Manager Aeronautical Services
