

**NAVIGABLE AIRSPACE DETERMINATION: 92 Hawthornden Drive,
Tikitere, Rotorua.**

PURSUANT TO Rule Part 77 of the Civil Aviation Rules I, Sean Turangarau Kere Rogers, Manager Aeronautical Services, having received from Woodberry Farms Limited, notification of intention to erect a structure (Dwelling) at 92 Hawthornden Drive, Tikitere, Rotorua, conducted an aeronautical study in consultation with such persons, representatives and organisations as I considered appropriate.

After completing the aeronautical study, I am satisfied that the proposed action, if executed, could constitute a hazard in navigable airspace.

THEREFORE, I HEREBY ISSUE a

DETERMINATION OF HAZARD IN NAVIGABLE AIRSPACE

in respect of the above notification.

The following conditions are specific to this Determination:

1. The structure requires an appropriate light in accordance with Part 77 Appendix B, on either the Hawthornden Road site or an object in the vicinity as deemed suitable by Rotorua Airport in consultation with local interested stakeholders; and
2. Woodberry Farms Limited shall contact CAA (aeronautical.services@caa.govt.nz) when both the dwelling and light is being erected so that it can be included on the necessary aeronautical charts as a local hazard.

This Determination of Hazard shall become final on 23 March 2021 unless a petition for review is received by the Director prior to that date.

This Determination of Hazard shall not expire but may be revoked, in writing, by the Director.

Dated at Wellington this 24th day of February 2021.
