NAVIGABLE AIRSPACE DETERMINATION: Corner of Browning Street and Campbell Road, Tokoroa.

PURSUANT TO Rule Part 77 of the Civil Aviation Rules I, Sean Turangarau Kere Rogers, Manager Aeronautical Services, having received from First Principles Constructors Limited notification of intention to operate cranes at the Corner of Browning Street and Campbell Road, Tokoroa, conducted an aeronautical study in consultation with such persons, representatives and organisations as I considered appropriate.

After completing the aeronautical study, I am satisfied that the proposed action, if executed, would not constitute a hazard in navigable airspace.

THEREFORE I HEREBY ISSUE a

3. First Principles Constructors Limited shall notify the CAA, Quote 22/77/54 (aeronautical.services@caa.govt.nz) when the cranes are removed off site and no longer required.

This Determination of No Hazard shall become final on 3rd June 2022 unless a petition for review is received by the Director prior to that date.

This Determination of No Hazard shall expire on 3rd December 2023 or when the cranes are no longer required and removed off site, whichever is earlier.
